

## CAMP PERMISSION FORM

**Students Name**

---

Camp Organizers' realize the responsibility parents given them when allowing their child to attend a camp and therefore endeavour to cover all eventualities.

The organizers', like parents, place trust in the students to demonstrate sensible behaviour at all times. All camps are an extension of school and carry the same rules and restrictions. In addition the camp site usually has a set of conditions which must be observed.

Students failing to comply with this contract may be returned to home/school at their parents' expense.
